PLANT OF CONNELLVILLE ELECTRIC STEEL COMPANY IS SOLD TO PITTSBURGERS

Witherow Steel Preparing to
Operate It On Extensive
Scale.

TUBE WORKS ACQUIRED

Recent Purchase Will be Put Into
Operation Shortly, According to An-
nouncement Today, and Another
Purchase Will be Added Shortly.

The plant of the Connellsville Electric Steel company at Fayette, along the Yough above Connellsville, has been sold to the Witherow Steel company of Pittsburgh which is getting ready to operate it on an extensive scale. A tract of 25 acres adjoining the plant, including the old Keystone Tube works property, has been purchased, the new owners desiring space for expansion, the ultimate aim being the establishment of an electric steel plant of the first magnitude.

The Witherow Steel company operates a rolling mill steel property at Fayette, Pa. The acquisition of the Connellsville plant marks its entrance into electric steel manufacturing, and while plans are not quite definite as to the Connellsville operation it will be used in making high grade of steel. As soon as materials can be assembled, the present furnace will be put in operation, another furnace may be added in a few months with others to come in the future. Although the mill has not operated since 1915, the equipment is in very good shape, in fact, almost in condition for immediate resumption.

The plant will be in charge of G. R. Norton, formerly vice president and general manager of the Sizer Forge company, Buffalo, New York, as steel works manager.

The United States Electrical Steel company, the original owner of the property, was organized in 1915-1917, a large part of the capital being subscribed in Connellsville and vicinity. The plant was operated until March, 1918, when it was compelled to shut down because of financial difficulties largely due to abnormal war-time conditions. The excessive cost of the plant practically absorbed all of the company's assets, and the industry never really got away to start.

After the plant was forced to shut down, largely by construction debts and the initial cost of raw materials. The property was put up at public sale in October, 1919, and bid in by a group of the original stockholders who realized the possibilities of the industry if taken over by experienced steel interests with adequate financial resources. The company was reorganized as the Connellsville Electric Steel company to hold the property until a suitable purchaser was secured. All efforts that held a possibility of its being removed from Connellsville were defeated.

The Witherow Steel Company was interested in the proposition and a leasehold was obtained July 10, after Connellsville men interested in the plant with the cooperation of the West Penn Power company, had secured options on land to meet the requirements of the purchasers.

GOOD SPORTS PROGRAM

For Outing of Baltimore & Ohio Veterans at Somerset.

The sports program for the Baltimore & Ohio Veterans at Somerset, Pa., is being held at the Somerset Hotel, Pa., on Thursday, July 29, has been completed by F. W. Burkholder, superintendent of the department of physical education of the University of Pittsburgh, and submitted to the committee in charge.

Prizes for the winners of the sports events will be offered. The program includes a 50-yard dash for boys 10 years old or under; 50-yard dash for boys 12-16 years old; 50-yard dash for boys 16 years old or under; 50-yard dash for girls 15 years old or under; a 75-yard dash for men; 50-yard dash for young men; 50-yard dash for men; 50-yard dash for married women; three-legged race of 50 yards, and a bronco race, in which one man rides 30 yards and then is carried back by his partner.

The special team which will carry pickers from Pittsburgh and intermediate points will be especially decorated for the occasion. The committee also has word that Daniel Willard, president of the Baltimore & Ohio railroad, and other company officials will be there for the day. They will arrive in a special car, it is understood.

NEGRO WORKMAN KILLED

Feeder Falls on William Sutton at Casparis Stone Plant.

William Sutton, colored, employed by the Casparis Stone company at Casparis, was killed this morning when a feeder fell on him. He was working in a bin when the accident occurred.

The body was brought to Connellsville and removed to Funeral Director J. E. Sims' parlors and prepared for burial. Sutton was unmarried and resided in Connellsville. He was about 35 years old.

NEW ROUTE WILL CUT DISTANCE TO UNIONTOWN

Bids to Be Opened During Afternoon
for First Section of Another County-
seat-Connellsville Highway.

Bids were to be opened this afternoon by the county commissioners in Uniontown for two and a half miles of improved road from the end of the brick street near Park Place cemetery, Uniontown, to a point in the main road from Uniontown to Connellsville, near the Gaddis farm, that will be the first link in a much shorter route to Connellsville, the state having agreed to improve the road between the Gaddis farm and Trotter.

The new road will pass off about half the present distance between the county seat and the Youghiogheny. North Union township is preparing to improve the road from the Gaddis farm to Shady Grove park.

LEGION MEETING TONIGHT

Reports Will Be Made by Committees
on Picnic Day Plans.

A joint meeting of the home and luncheon committees of the American Legion will be held tonight in the office of Dr. S. McKee, 203 Second National bank building. At this meeting reports will be read of the progress made in securing a home for the Legion and the number of merchants and their names, who have agreed to close for the picnic on Legion day. It is very urgent that all the members attend, as important business is to be discussed. J. Montgomery Biltzworth will read a report of interest in connection with the securing of a home and it is urgent that as many members as possible come out to hear this.

COAL STRIKE SPREADS

Nearly Whole of Illinois Mine Field
Closed, Half of Indiana.

By Associated Press.
INDIANAPOLIS, July 27.—Outcrops of the United Mine Workers of America today continued their close scrutiny of news dispatches regarding the strike which has closed all but a few of the bituminous mines in Illinois and which is spreading into Indiana, closing approximately half the mine in this state. No action was taken by the national officers, however.

Reports received from mining communities in Indiana this morning indicated that mines were closed at Clinton, Bicknell, Terre Haute, Linton and Jasperville. The 22 mines in the Clinton field were reported to be completely closed with 4,500 miners idle.

CURB MARKET IMPROBABLE

Farmers Not Much Interested, County Agent Says.

According to Farm Agent P. H. Sprinkle there is little probability of a curb market in Connellsville during the summer.

Farmers have taken little interest, Mr. Sprinkle said.

BOYS MUST ATTEND SUNDAY SCHOOL OR GO TO MORGANZA

Court Makes Stipulation in Placing
Six of Tender Age in Care of
Parole Officer.

If six Uniontown boys—Ben Hunt, Duhr Myers, Lawrence Craft, William Hanes, Theodore Burke, colored, and Ernest Lape fail to attend Sunday school regularly they will be sent to Morganza. This was the order of the court this morning when they were admitted to parole after having pleaded guilty to charges of breaking into merchandise cars on the Pennsylvania railroad. They range in age from 13 to 16 years.

For every time any of the sextet is absent from Sunday school he must give the parole officer an excuse that will prove acceptable. Otherwise his parole will at once be revoked. The boys were prosecuted by John Delemple.

COOLIDGE IS NOTIFIED OF NOMINATION

Massachusetts Home of Candi-
date in Gay Attire For
the Ceremonies.

INTEREST IN HIS SPEECH

Address Party Subjects to be Covered;
All Business Suspended at North-
ampton and City is Crowded With
Delegations from Adjoining Towns.

By Associated Press.
NORTHAMPTON, Mass., July 27.—Issue from the reactions of war was described as the transcendent need of the nation in the address which Governor Coolidge delivered here today in accepting formally the Republican nomination for vice president. "The chief task that lies before us," he said, "is to repossess the people of their government and their property." Governor Coolidge found another source of greatest public concern to be the reactionary tendency to substitute private will for the public good. He said there had been a disposition on the part of some individuals and groups to inquire whether they themselves were not being deceived by the method of direct action. The observance of the law, he said, is the greatest solvent of public ills.

The scene of the nomination was in the Field, the recreation ground of North College. A platform large enough to accommodate only the speakers and a few distinguished guests was erected at one end of the field and on the grassy slopes before it the great assemblage stood before the speaker. The speaker was Governor Coolidge, head from Governor Edwin P. Morrow of Kentucky the formal announcement of his nomination "by the spontaneous wish" of the party. "The West called to me," Morrow said, "and North and South heard the call and the nation answered."

NORTHAMPTON, Mass., July 27.—Governor Calvin Coolidge was formally notified today of his nomination as the Republican candidate for vice president in exercises which began with a meeting of the nomination committee and an informal luncheon of the committee men at the Coolidge home at noon and concluded with ceremonies of notification at 3 P. M. in the Allen field, Smith college.

In his speech of acceptance Governor Coolidge was expected to interpret the issues of the campaign broadly as defined in the party platform and Senator Harding's recent speech accepting the presidential nomination, and keen interest was manifested in the emphasis he would give the various subjects in his discussion of the party program.

The little college city was decorated with the national colors and pictures of the governor were everywhere displayed. All business suspended during the afternoon and the city was crowded with visitors from the adjoining mill towns sections.

The notification ceremonies included an address by the president of the college, Dr. Charles Keely, president of the Smith college, invocation by Rev. Kenneth B. Welles, pastor of the Edwards Congregationalist church, which Governor Coolidge attended; the address of notification by Governor Edwin P. Morrow of Kentucky and the reply by Governor Coolidge.

Thomas Newmyr Reported Ill.
A report was given this morning that Thomas Newmyr, who is employed with a government engineering corps on the Allegheny river, had contracted smallpox there. The report could not be verified here. Mrs. F. T. Evans of South Pittsburgh street, an aunt, had received no word from him. His father is in Pittsburgh on business.

Twelve Hurt in Explosion.
HARRISBURG, July 27.—Twelve men were injured today when a gas explosion wrecked a gas engine room and damaged a blast furnace at the Steelton plant of the Bethlehem Steel company.

COURT REFUSES TO SET ASIDE SHERIFF'S SALE

Judge Van Swearingen Not Con-
vinced of Inadequate
Price Received.

PURCHASER HAS RIGHTS

Stating that the court had not been convinced by contentions of the inadequate price paid for 62 acres of land in George township, sold at sheriff's sale for \$8,400, Judge J. C. Van Swearingen, at the weekly session of court in Uniontown this morning, refused to set aside the sale. The property belonged to the bankrupt estate of William Hanks and was sold on a mortgage held by the Fayette Title & Trust company. It was alleged by the plaintiff that the sheriff's advertisement of sale did not contain reference to buildings and other improvements on the property and that the price it should have brought. In the opinion handed down the court said:

"A bona fide purchaser at a sheriff's sale has some rights which he is entitled to have protected. The moment land is knocked down to him, if he complies in all respects with the conditions of the sale, he acquires a vested right in the property. It is not a sound exercise of the discretionary power of the court to destroy the vested right of a fair purchaser, either from feelings of sympathy for the defendant in the execution or because the court may not see any peculiar hardship in the bona fide purchaser being deprived arbitrarily of his just and equitable right."

But the judgment for want of sufficient affidavit of defense was made absolute in the case of the Dermott Land & Lumber company against S. D. Sipe of Connellsville and judgment was ordered for the plaintiff and against the defendant for \$103,800, with interest from July 10, 1919. The defendant ordered a writ of habeas corpus to set aside the judgment on the ground that the material was shipped green, without being seasoned. No allegation that dry lumber was ordered was made, nor was there any contention that the lumber was not marketable for the purpose intended. Judgment for \$85.20 for want of sufficient affidavit of defense in the case of E. P. Sipes against R. Moon, both of Connellsville, was refused and the motion for a rule discharged as the plaintiff's cont. The court held the case to be one for a jury. The claim arose over the placing of a cement walk in Franklin avenue. The defendant claimed he had paid more than he was given credit for.

Judgment was ordered struck from the record in the case of Kaufman & Baer of Pittsburgh against Blanche Rice of Connellsville on the ground that it had been illegally entered. The defendant was alleged to have leased a coat from the plaintiff, agreeing to pay \$18.25 a month for three months. At the end of that time to receive a bill of sale. The defendant denied securing the coat on a lease, saying it had been purchased. Judgment was stricken from the record because of lack of affidavit of defense.

The court held that the case of Joseph Kaina of Connellsville against the West Chester Fire Insurance company, for which judgment was sought on a claim for \$1,800, was one for a jury to pass upon and dismissed the rule for judgment. The plaintiff held a policy on merchandise which began with a meeting of the nomination committee and an informal luncheon of the committee men at the Coolidge home at noon and concluded with ceremonies of notification at 3 P. M. in the Allen field, Smith college.

In his speech of acceptance Governor Coolidge was expected to interpret the issues of the campaign broadly as defined in the party platform and Senator Harding's recent speech accepting the presidential nomination, and keen interest was manifested in the emphasis he would give the various subjects in his discussion of the party program.

SIGNAL GIVEN FOR START IN FINAL RACE FOR CUP

Code Flag for Deciding Contest Be-
tween Roselute and Shamrock
Hoisted at 1:45.

By Associated Press.
SANDY HOOK, N. J., July 27.—At 1:45 o'clock the code flag "A" was not, indicating a south, southwest course for the final race for the America's cup between the Roselute and the Shamrock. This will give the Roselute a 25-mile lead to windward down the Jersey coast from Ambrose Channel lightship to a point off Asbury, with a run home.

The fifth international race, postponed Saturday because of too much wind and declared off yesterday after the two cup sloops had foundered, around for hours in a calm, was first ordered postponed at 11:30 o'clock. It was understood that if no breeze arose by 1:15 the race would be postponed until tomorrow.

WOMEN OF CITY TO BE ASKED TO HELP IN ARMY CAMPAIGN

Will Conduct House-to-House
Canvass and "Tag Day,"
Later Saturday.

ONLY \$1,600 IS REPORTED

In Cash and Pledges at the First Meet-
ing of the Workers; Many Teams
Rush Soliciting Will Not Report
Until Thursday; Many Subscriptions.

Reporting a total of \$940.85 in cash and pledges for an additional \$500 in pledges, teams working in the drive of the Salvation Army for \$10,000 in this district last night at the Elks club to make their first reports of progress. While it was expected a much larger amount would have been reported at this first meeting, many of the teams were out in their districts at work and did not report. These teams will report Thursday evening when the workers again meet for dinner.

Members of the executive committee decided to appeal to the women of the district to help in putting the drive over the top. Tentative plans call for a "Tag Day" next Saturday when women and girls of the city will be utilized in selling the tags. They will also assist in the house-to-house canvass, for which purpose special women teams will be appointed at the Thursday evening meeting. The women and girls of the city who took active part in the Liberty Loan and other drives during the war are requested to be at this meeting when leaders and workers in the women's division will be appointed.

A special effort is to be made tomorrow when members of the various teams will work the downtown district in an effort to secure large subscriptions. These subscriptions will be needed if the drive is to be a success inasmuch as many of the subscriptions reported last night were in very small amounts. A vast majority of those turned in at that time were for \$1 while many others were for amounts under this figure.

Shoppers employed in the local plants and works will be canvassed and encouraged to make teams, having been appointed for this purpose from the regular teams.

Headed by Harry DeBolt, J. M. Wilder and John Davis, the team from South Connellsville was hard at work this morning and from present indications will be among the leaders when the reports are made Thursday. R. D. Henry and Harry McDonald of Dawson will also report at this meeting when several substantial subscriptions are expected to be announced.

Sickness Cases Reported.
Two scarlet fever and one case of mumps was reported to the board of health this morning.

RELATIVES OF DR. CAMPBELL, LIVING IN NEW YORK, SOUGHT

PITTSBURGH, July 27.—Eleanor Cochran, vaudeville singer, whose stepfather, Dr. Harry B. Campbell, once a well-known Pittsburgh physician, died in obscurity in a New York rooming house Sunday night, known merely as a "dishwasher in Stanley's restaurant" was said last night to be living in Brooklyn with her mother.

Dr. Eleanor Miller Campbell, during the summer (theatrical) fall. The search for relatives of the dead man centered on her.

Word from Dawson, her old home town, that at the time her stepfather died, she and her mother, who had been living apart from Dr. Campbell, were making their home only a few miles away from him.

The singer was 11 years old when her mother was married to Dr. Campbell. When she was aged 33 she became the wife of Isaac Cochran, a seaman of one of the wealthiest families of Dawson, and though her husband since has filed suit for divorce, she still bears his name. On the stage she was sometimes known as Eleanor Cochran.

It was Mrs. Sarah B. Cochran, a distant relative of the singer's husband, who last night provided the clue as to where the singer and her mother could be traced. It is expected the body will be brought to Pittsburgh for burial.

Whatever may have been the motive behind the physician's abandonment of his medical career to work as a dishwasher in one of the gayest restaurants of the theatrical district of New York, it was not disclosed by investigation among his former friends of this city. From the day he left Pittsburgh, on the eve of the departure for Europe of his wife and stepdaughter, not a single relative or friend here had heard a word from him.

REDS CHARGE ACTS OF BARBARITY TO POLISH FORCES

These Have So Incensed Russ Popu-
lation as to Cause Delay in Armistice
Preliminaries, Is Claim.

By Associated Press.
VILNIA, Monday, July 26.—The soviet military command has notified the Polish commander that it regrets he is unable to arrange a date before July 30 for the preliminary armistice meeting between the Polish representatives and those of soviet Russia, according to a wireless message picked up here.

The message states two circumstances make an earlier day impossible. One is "because Polish acts of barbarity have so incensed the population that serious obstacles must be removed to prepare the way for the Poles' coming," and second because an extensive troop movement will be necessary.

It is stipulated, according to the wireless message, that the Polish envoys must submit to all regulations governing soviet camps and conclusion with the hope that a place will be fixed for the meeting in some sector between Baranovitch and Brest-Litovsk.

SLAPPED FIRST DAY

Husband's Ill Treatment Continued
For 11 Months, Wife Testifies.

Several divorces were granted by the county court in Uniontown this morning. Ray Cooley was granted a divorce from Esther Cooley on the grounds of adultery. They were married November 13, 1913, at Fairchance and have resided there since. Cooley was drafted for the Army in May, 1915, and was discharged September 30, 1919. He said he returned home and 30 days elapsed before he located his wife, who was in Morgantown at the time. He also said there were many stories of misconduct on her part during his absence. William Pasorica was named as co-respondent.

Mary Loreta Maxwell was freed from Ralph Collins Maxwell. The couple were married on July 4, 1915 at Oakland, Md., and had since resided in Connellsville and Clarksburg. The wife alleged that on the first day after their marriage her husband slapped her and that the cruelties continued for 11 months.

Elizabeth Agnes Babko was freed from John Babko of Orient. They were married April 30, 1913, at Republic. The woman alleged that she had been forced to marry Babko by her mother. She also said the mother had made her sleep with Babko before the marriage took place and that after the ceremony Babko was with the mother more than his wife.

RUN ON VACCINE

With More Smallpox in the City,
Hundreds Request Vaccination.

With the discovery of another case of smallpox in the city yesterday, there was a heavy run on the vaccine supply in local drug stores. Many persons had previously been vaccinated but with the fresh outbreak others were added to the list.

All Baltimore & Ohio employees between Pittsburgh and Cumberland will be vaccinated to protect them against the dread disease and to prevent any further spread. Railroad physicians are busy now at this work.

It was reported this morning that James McClain, who was quarantined at the rooming house in North Cottage avenue, was somewhat worse.

KEANE PROMOTED

Machinist at B. & O. Shops Made Fore-
man at Hyndman.

James M. Keane, a machinist at the Baltimore & Ohio shops here for about three years, has been promoted to general foreman of the Baltimore & Ohio shops at Hyndman.

Mr. Keane has taken up his new duties. He expects to move his family to Hyndman soon.

Blackberries at Beechwood.
Hundreds of gallons of blackberries were brought to Connellsville yesterday from Beechwood, W. Va., where another record crop is being picked. Another large crowd from Connellsville and South Connellsville went to the scene today.

Commissioners to Meet.
Tomorrow morning the county commissioners of Fayette and Washington counties will confer in Uniontown relative to repairs to the bridge over the Monongahela river at Belle Vernon.

Throat Operation.
Miss Helen Keane, daughter of Mr. and Mrs. Andrew Keane of South Eighth street, Greenwood, underwent a throat operation this morning at the Cottage State hospital.

Fog Held Responsible For Day- crossing Accident Near Trotter.

IMPACT IS TERRIFIC ONE

Ralph Anderson's Ship Is Crushed
and Neck Broken; Driver of Out-
let Car is Slightly Injured But Able
to Leave Hospital Soon Afterward.

Ralph Anderson, 21 years old, of near Leisenring No. 1, was instantly killed about 6:30 o'clock this morning on the Leisenring-Trotter road near Fairview stop, when the motorcycle he was riding and the automobile driven by a man named Greenwood collided. Greenwood received injuries but after he had been examined at the Cottage State hospital was able to leave for his home.

The heavy fog was largely responsible for the accident. According to the report of the collision, neither driver saw the other approaching. The motorcycle was completely wrecked and Anderson's death was instantaneous. His head was crushed and his bones in his neck and shoulders broken.

The young man had left his father's blacksmith shop, about a quarter of a mile from the scene of the accident, only three minutes before. He was riding to Trotter where he is employed as a blacksmith. Greenwood was driving to a place between Leisenring No. 1 and No. 3 where he is doing some carpenter work.

The West Penn street car, due here at 7:45 o'clock, arrived just after the collision and the injured man was brought to the city on it. Both were removed to the hospital but Anderson was beyond medical aid. His body was taken to the funeral parlors of Charles C. Mitchell and prepared for burial.

The wrecked automobile was brought to the city later this morning. It was badly damaged. The victim of the wreck had owned the motorcycle for about three months. He was known in Trotter and Connellsville.

In addition to his parents, Anderson is survived by three sisters, one of which is at home.

Funeral arrangements will be announced later.

SIDEWALK BLOCKED

Manager of Milk Depot Called Before
Mayor and Warned.

C. F. Bowers, a driver for the Cooperative milk depot, South Pittsburgh street, was arrested by Patrolman P. M. Rull yesterday for obstructing the sidewalk on Gallatin avenue. E. J. Garner, manager of the plant, was instructed to appear this morning after the driver had been warned, several times but still kept on the same line. Mayor Deagan dismissed the case with the warning not to obstruct the walk over 14 minutes, which he said is really too long in itself, but allowance was made on the condition that the company would use the walk only when traffic is not heavy.

One woman stated to the police that every time she passed the plant she was compelled to walk out in the road which is not paved and sometimes is very muddy. She said she had been over the sidewalk and had been over the cargo of milk and it was charged that the drivers go into the plant and sit around leaving their trucks on the pavement longer than necessary.

NEW TURN IN TRUNK CASE

Mrs. Eugene Leroy About to Be Examined
Mother, Police Are Informed.

DETROIT, July 27.—A statement to the police by Mrs. Leo Trumbull, wife of a patrolman, that Mrs. Eugene Leroy, victim of the Detroit truck murder mystery, had confessed in her statement was about to become a mother, she led a new theory into the case today. Police directed their attention between a hunt for Leroy, husband of the slain woman, and a second hunt believed to contain the vital organs of the body which is known to have been sent from the apartment house where the Leroy's lived.

Police believe that examination of the organs might reveal whether death was due to a criminal operation, as has been hinted since Mrs. Trumbull made her statement.

That Mrs. Leroy was slain in an apartment house here was conclusively proved today, according to the police, by finding three of blankets identical with those in which the body was wrapped before it was placed in the trunk.

CHILD KIDNAPED

Police Asked to Look For Indian Head
Man With Small Boy.

A telephone call was received at the city hall this morning from the Sparks Supply company at Indian Head asking the local police to be on the lookout for a man who had kidnapped a small boy at that place.

The man's name was given as Albert Reek and he was wearing a dark blue suit when last seen. The boy's name was given as Albert Loudmilk and he was wearing a light blue suit when he disappeared. The parents are anxious to discover his whereabouts.

MOUNT PLEASANT SETS ASIDE DIAMOND AS MEMORIAL SITE

Recommendation of Committee Is Approved by Town Council.

WILL ENHANCE BEAUTY OF PLACE

Committee Named to Take Up With West Penn Railways Company Shifting of Track to Conform; Mrs. Agnes Taylor Art Teacher in Third Ward.

Special to The Courier.—MOUNT PLEASANT, July 26.—Council held a special meeting last evening to consider the Diamond as a proper site for a memorial for the town.

The committee from the Memorial association, Dr. B. M. Loar, Harry Brown and Stanley Skibinski, was present, and Dr. Loar, speaking for the committee, said that it was the desire of the association to erect a memorial for the town and that since it was something that would beautify the town, the Diamond was the place considered.

providing the borough would grant permission. Mr. Loar explained that the memorial would be something elegant and one the town would be proud of.

The Diamond includes the four plots of ground in front of the old Lyric theatre, now Mount Zion Baptist church, the Devorsk meat market and a fruit store on one corner. On the other corner it includes a plot of ground where the municipal flag pole was erected, on the opposite corner the plot of ground in front of the Dr. W. H. Horner residence, and on the other corner the ground in front of the property of the John T. Stauffer heirs.

On motion of Blaine B. Goldsmith and seconded by Frank Simpson it was decided that the borough reserve the Diamond for the Memorial association and pay the same and that a committee be appointed to ask the West Penn Railways company to move its tracks to conform with the plans for the memorial.

President E. B. Palmer appointed on the committee to see the West Penn company B. B. Goldsmith, Arthur Gerhart and Frank E. Simpson.

Work will be begun immediately on taking over the ground, working harmoniously with every interest concerned, as explained by Borough Solicitor Eugene Warden. This will be done so that the square will be ready when the association is ready with its program. An ordinance covering the situation will be drawn up and adopted.

Now Art Teacher.—Mrs. Agnes Taylor of Bellefonte, a graduate of the Indiana State Normal school, the Prong Art Institute, a student of Dr. Kirby's art class and a student for the past two summers at State college, was elected to the music and drawing department of the Third ward school. Mrs. Taylor has a very successful record as music art and language teacher.

Personal Mention.—Mrs. George Gemmell has gone to Buffalo to visit her brother.

Chamberlain's Cough and Diarrhoea Remedy.—Every family should keep this medicine at hand during the hot weather of the summer months. It is almost sure to be needed before the summer is over and when that time comes it is worth many times its cost. It has no superior for the purposes for which it is intended. Buy it now.—Adv.

ONE WOMAN'S EXPERIENCE

Of Interest to Expectant Mothers

Goshen, Ind.—I took Lydia E. Pinkham's Vegetable Compound with good results after I had suffered for some time with female trouble. Some years ago I had twin boys and lost my Vegetable Compound before they came, also before my four year old boy was born, and afterwards, and think it fine for such cases. I tell others what it did for me and you may publish my testimonial.

Mrs. Geo. A. Foss, 711 S. 8th St., Goshen, Ind.

The experience of Motherhood is a trying one to most women and marks distinctly an epoch in their lives. Not one woman in a hundred is prepared or understands how to properly care for herself. Every woman at this time should rely upon Lydia E. Pinkham's Vegetable Compound, a most valuable tonic and invigorator of the female organism.

In many homes one's children are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong and this good old-fashioned root and herb remedy contains no narcotics or harmful drugs.

Work will be begun immediately on taking over the ground, working harmoniously with every interest concerned, as explained by Borough Solicitor Eugene Warden. This will be done so that the square will be ready when the association is ready with its program. An ordinance covering the situation will be drawn up and adopted.

Now Art Teacher.—Mrs. Agnes Taylor of Bellefonte, a graduate of the Indiana State Normal school, the Prong Art Institute, a student of Dr. Kirby's art class and a student for the past two summers at State college, was elected to the music and drawing department of the Third ward school. Mrs. Taylor has a very successful record as music art and language teacher.

Personal Mention.—Mrs. George Gemmell has gone to Buffalo to visit her brother.

Chamberlain's Cough and Diarrhoea Remedy.—Every family should keep this medicine at hand during the hot weather of the summer months. It is almost sure to be needed before the summer is over and when that time comes it is worth many times its cost. It has no superior for the purposes for which it is intended. Buy it now.—Adv.

Whether the milk or the meat is at fault, it is the bowels move regularly. There is nothing that creates greater discomfort in the summer than constipation. It boils the blood and causes nervousness, headache, fever, cold and a host of other ills. In these little ailments it is always well to suspect constipation and give half a teaspoonful of Dr. Caldwell's Syrup Pepsin. It is a combination of simple laxative herbs with pepsin and the most ideal medicine you can give a baby. It is mild and gentle in action, never grips and never rots.

THOUSANDS OF VETERANS OF BLUE RIDGE DIVISION EXPECTED AT REUNION

Pennsylvania veterans of the 89th of their attending the first annual re-union of the Blue Ridge Division are expected to be held at Richmond, Va. on September 4, 5 and 6 and their wives, mothers and daughters. The 17,000 members of the Blue Ridge Division of the 89th Division Veterans' Union of Pittsburgh recently elected their officers and the re-union program was arranged by the committee in charge. The re-union program will include a banquet on the first day, a picnic on the second day and a dance on the third day. The re-union is being held at the Richmond Hotel, Richmond, Va. and the cost of the re-union is \$1.00 per person. It points out and the committee is anxious to follow the expressed wishes of the veterans as closely as possible. While C. Stahlman and Edwin G. Burtles are the other representative from this state on the executive council. Considerable progress has been made by the committee in arranging the re-union program and there is every indication that the first gathering of the veterans will be one of the most successful and enjoyable yet held. The six to eight thousand men expected to attend will have the benefit of colored right and faces a minimum cost for board and lodging while at Richmond. (Bill) Less of time from work. LEISENRING DOWNS WHITNEY, ONE OF STRONGEST OUTFITS IN THE C'VILLE COKE REGION

Trotter is By the Decisive Score of 6-1; Riley Holds Opponents to Five Hits.

B. & O. GAME TOMORROW

Leisenring No. 1 traveled to Whitney on Monday afternoon and in a full length game, thrashed that team to the tune of 6-1. Whitney, with the reputation of being one of the fastest coke region outfits, crumbled before the Leisenring attack and was unable to touch the offerings of Riley. Five hits were credited to them but they were so far between as to count for nothing.

Whitney scored its first run in the opening frame and after that did not get a man across the rubber. Leisenring took the lead in the first inning jamming three runs in. Two more followed in the third and one in the ninth. A special effort of rooters accompanied the team. The score:

Whitney 100 000 001
Leisenring 302 000 001

TROTTER AND COLONIAL

In a game played at Trotter yesterday evening Colonial No. 1 and the local coke team played to a 2-2 tie. Darkness prevented a continuance of the game. Colonial got two tallies across in the opening and by dint of hard playing Trotter tied up in the third and fourth innings. Trotter drive into left was the longest made this season. The score:

LOCAL RAILROAD TEAM

PLAYS BALTIMORE HERE
The Connellsville Baltimore & Ohio baseball team will play the local Baltimore team of the same railroad company tomorrow afternoon at Fayetteville Field. The game will be called at 3:30 o'clock.

The visiting aggregation has not lost a game this season and the local team is strengthening for the clash. Baltimore has defeated Grafton W. Va., Parkersburg and Charleston teams.

CRAPS

Leisenring took a leading place in the coke region baseball when it handed a decisive defeat to Whitney on that

team's grounds last night. The management of the Connellsville Independents is after a game with Leisenring here on Saturday. The attraction could be of considerable interest through the entire region.

Trotter plays the West Penn team at Trotter on Wednesday night and then goes against Whitney on Thursday also on the home grounds. A festival and dance will follow each game.

The Connellsville Baltimore & Ohio team did not get to play at Fayetteville on Saturday on account of rain. The game scheduled for Sunday was postponed.

Connellsville fans are at last beginning to shake off the lethargy which was so much in evidence at the beginning of the season here and are an interest in the Independents. At the season gets through successfully this year prospects for a much stronger and faster organization next year with real accommodation at Fayetteville are in prospect. Don forget to attend the game Saturday.

THAT BAD BACK

Do you have a dull, steady ache in the small of the back, sharp stabbing twinges, when coughing, lifting, dressing, sitting, standing, or had back and watched kidneys Connellsville resident a recommendation of Dr. Williams' Pink Pills. Read this testimonial:

"I have this Wilson's Pink Pills for Pale People. In the past I have had a great deal of trouble with my kidneys. I was unable to work at the time of my sickness and was troubled with headaches and spots in my eyes. Spots appeared before my eyes. My back got lame and sore and I could not get out of bed. I have had a great deal of trouble. An attack of this kind was always promptly relieved by using Dr. Williams' Pink Pills. One or two boxes which I would get at Dr. Williams' Drug Store would remove the trouble and improve the condition of my kidneys very rapidly. I am glad to endorse Dr. Williams' Pink Pills as the best medicine for those who are troubled with it. It is now several months since I have had to use Dr. Williams' Pink Pills. Price 60c a bottle. Dealers: Dr. Williams' Pink Pills, the same that Mrs. Wilson had. Porter-Milburn Co., Mfg. Buffalo, N. Y.—Adv.

WALLPAPER HIGHER

Next Season's Cost to Be More Than Three Times That of 1912

New York's supply of wallpaper will be higher in price, according to a report submitted to a convention of manufacturers of that product held in New York last week and attended by M. Bernards of this city. Mr. Bernards who returned Saturday evening said that the forecast for next year's supply indicated limited quantities and prices more than three times those of 1912.

OHIOPILES

OHIOPILES July 26. Miss Della Givens spent Saturday and Sunday at Huntington.

Mr. and Mrs. Charles Shaw of Connellsville were visitors here Saturday.

Mr. Harriet of Connellsville spent the week end with his family here.

Miss Willie Waters is spending a few days in Connellsville.

BACK TO STEADY WORK AFTER THREE YEARS

Washington, Pa., Man Feels How He Regained His Strength and Health And Was Able To Return To Work After Taking Nerv-Worth.

About three years ago I commenced to lose flesh and strength rapidly," said S. S. Elgie, 38 West 2nd St., Washington, Pa. "I suffered from dyspepsia and stomach trouble for years. I tried various remedies that were recommended to me, and that I saw advertised, but still my condition gradually grew worse, and I was forced to bed for two weeks time. I had lost 15 pounds and I began to think that I was done for this world. One day I sent for a bottle of Nerv-Worth and a box of their laxative tablets and from the first dose I commenced to pick up,

again and get better. After taking two bottles I was up and around again, and gaining weight and strength. My complexion called me to work and I responded. It is being the first work I had done in almost anything for three years. I have worked steadily since and go through the day without getting tired. I eat and sleep well and get up feeling fine. In fact I feel like a young man again. Nerv-Worth for me. If you are run down suffer from stomach trouble or nervous disorders give Nerv-Worth a trial and you will find it. It will surprise you by the quick relief that it gives you. If your first trial bottle does not benefit you your money will be refunded. Mystery of Hartley House

"Then I was surprised to hear a car coming along. The other fellow seemed to be expecting it. We both went to the door. The car stopped at the door and a man helped a woman out. She was a little old, striped fellow. She was young and pretty.

The old fellow said something to my foreigner and he threw his arms in the air, writhed all over, laughed and fell on the old fellow and kissed him. The old fellow struggled and kicked but the foreigner just picked him right up and kissed him on both cheeks.

"That old boy was mad when he got loose. This is unthinkable," he said. It is beyond expression. You human pig! Dog of a man—stopping here! Then he stopped asking foolish and said a lot of things the foreigner understood but it didn't make him mad. His eyes just sparkled. He put a dollar on the bar and pointed to the whiskey glass.

"Bring my drinks over here," said the old boy, pointing to one of the tables in a far corner of the room. "Bring 'em down and the two men talked. The girl didn't seem to have the language. The foreigner was excited. The old boy kept wiping his eyes. He wasn't showing as much nervousness as the foreigner, but he was pleased over something.

I kept behind the bar as near their table as I could and pretended to play solitaire and wait for their orders. When they had their drinks, I possible and trying to make out what they were saying. I kept behind the bar as near their table as I could and pretended to play solitaire and wait for their orders. When they had their drinks, I possible and trying to make out what they were saying. I kept behind the bar as near their table as I could and pretended to play solitaire and wait for their orders.

When he got his party he said, "Is that you, Sam? Ever thing is all right. Yes as expected. Let him go. That was all. He went back to the table. I noticed that he kept right behind all the time of a leather case. When they got it, I walked again. The foreigner kept pointing toward the case and I kept making out what was happening. As they kept on talking and I was the black leather case, the foreigner called and he other man wouldn't let him have it. Finally the old boy got up with the case, held it tight and his arm and went toward the door with the girl. The foreigner followed him and the foreigner talking, "Yes and loud, they got outside and all. I into he in the girl beside the old boy who was driving, and the foreigner behind. As the car started to move the foreigner made a dash for the case. I saw the old boy was two men for him and I dropped it to the car. The car started and the old boy was in it. You can't drive a car that way. I said. "You'd better not let that fellow go."

I told him all the old boy. If he keeps a bottle of my Pink Pills with him with a gun. He'll all right. So I let him go. But they didn't leave a gun for him. I saw the girl scream. I got up to investigate. Which was out in front and went down. I was told after that. There was some going to be an accident if the car didn't stop. The man at the wheel. They must have been going pretty fast. I chased them a mile and a half and caught them. I told the girl to get out of the car. I was within two hundred yards of them when the girl screamed louder than ever and I heard a crash. I knew they'd got it and they had. The car had gone into a tree at the side of the road.

"The old boy was dead and the girl was unconscious. But the foreigner was gone. What about the leather case? I asked a man in the group about the case. It was the question I could have shouted out a year. It was gone. On the old boy did not have a single paper in his pockets but after I got help and got attention for the girl we found the case in her pocket. I showed it to Miss Agnes. It held Hartley House. Hartley (That was the only identification we had.) I clutched over to Hartley and a man said he would be there. That's all I know about it. I've got to be getting over to the station. It's about time that man from Hartley was looking me up.

As he went out, I talked him and on the sidewalk I introduced myself to BE CONTINUED

For a Billious Attack

If you have bilious attacks give Chamberlain's Tablets a trial. They are excellent. Willis Brunning, Pat Longburg, Mo. has this to say of them: "About a year ago my wife used a bottle of Chamberlain's Tablets and they cured her of a bad bilious attack also of constipation from which she had been suffering for six days. WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist. The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply. He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days. Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Four three-quarters of an ounce of Mentholized Arzene into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh, which is all you need to make a pint of this helpful medicine.

FEW OR NO OINTMENTS RIVAL SIMCO SALVE

It's just as natural as SIMCO SALVE to kill the germ and heal the skin as for a child to get the water. It is powerful antiseptic, it soothes and cools, it ointment, it's why it leaves the skin in a healthy condition. The Connellsville Drug Co. and the Broadway Drug Co. of Philadelphia are authorized by the Shuping Drug Co. to guarantee success in all cases of satisfactory results. It is a fact that it is money back if it does not.

SIMCO SALVE is a complete and so healing that it is a healthy and remedy for sore cuts, burns, bruises and itching piles. It is a simple and modern treatment and it will speedily result in relief in all cases. BY COMPARISON is the best way to decide. You have used the old fashioned ointment and liniment. Now try SIMCO SALVE and see for yourself how much quicker relief comes.

It is purely toilet the people. The Connellsville Drug Co. and the Broadway Drug Co. of Philadelphia are authorized by the Shuping Drug Co. to guarantee success in all cases of satisfactory results. It is a fact that it is money back if it does not.
